

21st edition “BGES Starters package” ORSI ACADEMY

Melle – Belgium

Friday 2nd & 3rd December, 2022

BGES has the pleasure to invite you to the 22nd edition "Starters Package" which is a 2 days workshop in laparoscopy dedicated to 3rd and 4th surgical trainees.

The aim is to provide a concise overview on basic and more advanced laparoscopic techniques given by national surgeons, all renowned experts in the field of laparoscopic surgery.

Relying to the great success we had previous years, we continue to organize the course in ORSI .

Theoretical presentations will be made on a wide variety of subjects. Hands on training will be offered on living pigs in the afternoon.

This workshop has been made possible with the logistics and the financial support of Medtronic and Stöpler
